Test to Release Certificate

Dear Automation Test **Test**

Your coronavirus test result is positive. You had the virus when the test was done.

If you have not had symptoms of coronavirus, you must self-isolate for 10 days from your test date. If you have symptoms of coronavirus, you must self-isolate for 10 days from the day your symptoms started, if earlier than when you took your test. (The day after symptom onset or test date is counted as the first full day of self-isolation.)

People you live with or are travelling with should also self-isolate for 10 days from the day you took a test.

You may be contacted for contact tracing and to check that you, and those who you live or are travelling with, are self-isolating.

You must not travel, including to leave the UK, during self-isolation.

Contact 111 if you need medical help. In an emergency dial 999.
